

## Listener Statement

I am a regular listener to Blake FM (WBKQ) which broadcasts on 96.7 FM.

Recently, a new radio station began broadcasting on 96.7 FM that is interfering with my regular listening to 96.7 Blake FM. This interference is occurring at the following locations:  
(Home, work, car, other. Please give a location, ex: "Steak and Shake" or "Main Street")

---

---

---

I am providing this statement to ask the Federal Communications Commission in Washington DC to take action to keep the interference from occurring. Other than being a regular listener, I am not connected in any way with 96.7 Blake FM.
